Dear Paul:

This letter confirms we filed a *Request for Withdrawal as Attorney or Agent* for each of the above-referenced patents and patent applications. These requests were executed by Norman Klivans of Skjerven Morrill—the law firm that previously prosecuted these matters.

As the Skjerven Morrill law firm dissolved and ceased operations, Mr. Klivans executed these requests in order to have all future correspondence related to these patents and applications sent to our care at Carr & Ferrell LLP.

If you have any questions, please do not hesitate to contact me.

Sincerely,

Susan Yee
